

Title: Construction Aide III	Effective Date: October 19, 2011	Grade: X	Job Category: Technician
Prior Title: Construction Instrumentman	Prior Effective Date: August 24, 2007	Grade: X	Page: 1 of 1

CHARACTERISTICS OF WORK

Under general supervision, this position is responsible for on-site survey work and inspection of individual phases of contract construction necessary to ensure compliance with plans and specifications.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Perform construction inspection duties on individual phases of construction work as required with minimal supervision.
- Operate surveying instruments, take notes, and direct field work.
- Assist other Department employees with office work.
- Perform tests for specification compliance.
- Employee is required to frequently drive a Department vehicle to various locations within the District.

MINIMUM REQUIREMENTS

The educational equivalent to a high school diploma. Ability to read construction plans and perform mathematical computations, including computation of areas. Prior construction work experience. Working knowledge of surveying practices and principles and knowledge in the operation of surveying instruments. Minimum of three years as Construction Aide I and/or II or similar experience. Familiarity with the use of Microsoft Word, Excel, and Outlook software, and the use of Microsoft Windows operating system. Valid driver's license.
