

Title: <b>Engineer I</b>	Effective Date: June 19, 2009	Grade: XI	Job Category: Professional
Prior Title: Civil Engineer I	Prior Effective Date: September 17, 2008	Grade: XI	Page: 1 of 1

**CHARACTERISTICS OF WORK**

Under immediate supervision, this position participates in all phases of the professional engineering orientation program and performs related work as required.

**EXAMPLES OF WORK**

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Attend orientation sessions in each Division participating in engineering related work.
- Receive specialized instruction from designated training personnel.
- Perform a wide variety of professional engineering tasks in a learning capacity.

**MINIMUM REQUIREMENTS**

Possession of a current *Arkansas* license to practice professional engineering or graduation from an EAC of ABET approved engineering curriculum or equivalent as judged by the Arkansas Board of Registration for Professional Engineers and Land Surveyors. Valid driver's license when working in the Construction or Maintenance Division.

("EAC of ABET" means Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology.)
