

Title: Engineer II	Effective Date: June 18, 2009	Grade: XIII	Job Category: Professional
Prior Title: Civil Engineer II	Prior Effective Date: September 17, 2008	Grade: XIII	Page: 1 of 1

CHARACTERISTICS OF WORK

Under immediate supervision, this position performs moderately complex professional engineering work for the Department.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Design layout and work drawings of highways.
- Test various highway materials for compliance.
- Prepare cost estimates.
- Direct work of technical personnel.
- Develop preliminary designs and specifications for bridges and related structures.
- Review plans and specifications for errors.

MINIMUM REQUIREMENTS

Possession of a current *Arkansas* license to practice professional engineering or graduation from an EAC of ABET approved engineering curriculum or equivalent as judged by the Arkansas Board of Registration for Professional Engineers and Land Surveyors.

("EAC of ABET" means Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology.)
