

Title: Geotechnical Aide I	Effective Date: May 11, 2012	Grade: V	Job Category: Technician
Prior Title: Geotechnical Aide	Prior Effective Date: December 7, 2009	Grade: V	Page: 1 of 1

CHARACTERISTICS OF WORK

This position is responsible for assisting in the setup, drilling and sampling operations for subsurface investigation units.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Lay out, assemble and disassemble drill rods and bits.
- Operate tandem axle truck.
- Clean equipment.

MINIMUM REQUIREMENTS

The educational equivalent to a diploma from an accredited high school. Ability to read and speak the English language sufficiently to converse with the general public, to understand highway traffic signs and signals in the English language, and to respond to official inquiries, and to make entries on reports and records. Constant statewide travel. Valid Class A commercial driver's license with tanker ("N") endorsement. Pre-employment drug test required and subject to additional drug/alcohol testing according to the provisions of the AHTD Drug and Alcohol Testing Program.

("Accredited" means the educational institution or program is accredited by an accrediting organization recognized either by the United States Department of Education or by the Council for Higher Education Accreditation.)
