

Title: Pavement Profiler Operator	Effective Date: May 11, 2012	Grade: IX	Job Category: Skilled Craft
Prior Title: Pavement Profiler Operator	Prior Effective Date: December 7, 2009	Grade: IX	Page: 1 of 1

CHARACTERISTICS OF WORK

Under general supervision of the Pavement Profiling Job Superintendent, this position is responsible for the operation, care, and maintenance of a pavement profiler machine to support District maintenance operations.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Operate and transport pavement profiler on a statewide basis.
- Operate pavement profiler on either asphalt or concrete pavements for construction and maintenance operations.
- Perform controlled material removal from roadway surface by controlling the slope, depth, and width of cut.
- Perform preventative maintenance and servicing of all assigned equipment.
- Perform various other maintenance duties as assigned.

MINIMUM REQUIREMENTS

The educational equivalent to a diploma from an accredited high school. Knowledge of the operation, capacities, and limitations of the equipment. Minimum of two years experience in milling equipment and operations. Statewide travel. Ability to read and speak the English language sufficiently to converse with the general public, to understand highway traffic signs and signals in the English language, and to respond to official inquiries, and to make entries on reports and records. Valid Class A commercial driver's license with tanker ("N") endorsement. Pre-employment drug test required and subject to additional drug/alcohol testing according to the provisions of the AHTD Drug and Alcohol Testing Program.

("Accredited" means the educational institution or program is accredited by an accrediting organization recognized either by the United States Department of Education or by the Council for Higher Education Accreditation.)
