

Title: Sealing Job Superintendent	Effective Date: May 11, 2012	Grade: XIV	Job Category: Paraprofessional
Prior Title: Sealing Job Superintendent	Prior Effective Date: December 7, 2009	Grade: XIV	Page: 1 of 1

CHARACTERISTICS OF WORK

Under the direction of the District Maintenance Engineer, this position is responsible for the District sealing program.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Plan and direct crew functions, equipment and materials for the District sealing program.
- Ensure that proper safety precautions are employed on job sites to affect personnel safety and orderly flow of traffic.
- Check quality and condition of materials when received from suppliers and ensure materials are capable of yielding an acceptable and durable roadway surface.
- Schedule the flow of materials and supporting activities to ensure maximum utilization of manpower and equipment.
- Supervise the application of materials and the use of equipment by subordinates.
- Safeguard consigned Department assets and provide reasonable assurance regarding the proper execution and recording of transactions.
- Compute job estimates on sealing projects and roadway repairs from accidents.

MINIMUM REQUIREMENTS

The educational equivalent to a diploma from an accredited high school. Five years experience in highway maintenance preferred. Thorough familiarity with Department policies and procedures and the Maintenance Management Program. Leadership qualities and communication skills. Knowledge of related EPA and ADEQ requirements. Ability to read and speak the English language sufficiently to converse with the general public, to understand highway traffic signs and signals in the English language, and to respond to official inquiries, and to make entries on reports and records. Valid Class A commercial driver's license with tanker ("N") endorsement. Pre-employment drug test required and subject to additional drug/alcohol testing according to the provisions of the AHTD Drug and Alcohol Testing Program.

("Accredited" means the educational institution or program is accredited by an accrediting organization recognized either by the United States Department of Education or by the Council for Higher Education Accreditation.)
