				TOTAL BID	

STANDARD BID CONDITIONS

M-03-165H

1. **ACCEPTANCE AND REJECTION:** The Arkansas State Highway and Transportation Department (AHTD) reserves the right to reject any or all bids, to accept bids in whole or in part (unless otherwise indicated by bidder), to waive any informalities in bids received, to accept bids on materials or equipment with variations from specifications where efficiency of operation will not be impaired, and to award bids to best serve the interest of the State.
2. **PRICES:** Unless otherwise stated in the Bid Invitation, the following will apply: (1) unit prices shall be bid, (2) prices should be stated in units of quantity specified (feet, each, lbs., etc.), (3) prices must be F.O.B. destination specified in bid, (4) prices must be firm and not subject to escalation, (5) bid must be firm for acceptance for 30 days from bid opening date. In case of errors in extension, unit prices shall govern. Discounts from bid price will not be considered in making awards.
3. **BID BONDS AND PERFORMANCE BONDS:** If required, a **Bid Bond** in the form of a cashier's check, certified check, or surety bond issued by a surety company, in an amount stated in the Bid Invitation, must accompany bid. Personal and company checks are not acceptable as Bid Bonds. Failure to submit a Bid Bond as required will cause a bid to be rejected. The Bid Bond will be forfeited as liquidated damages if the successful bidder fails to provide a required Performance Bond within the period stipulated by AHTD or fails to honor their bid. Cashier's checks and certified checks submitted as Bid Bonds will be returned to unsuccessful bidders; surety bonds will be retained. The successful bidder will be required to furnish a **Performance Bond** in an amount stated in the Bid Invitation and in the form of a cashier's check, certified check, or surety bond issued by a surety company, unless otherwise stated in the Bid Invitation, as a guarantee of delivery of goods/services in accordance with the specifications and within the time established in the bid. Personal and company checks are not acceptable as Performance Bonds. In some cases, a cashier's check or certified check submitted as a Bid Bond will be held as the Performance Bond of the successful bidder. Cashier's checks or certified checks submitted as Performance Bonds will be refunded shortly after payment has been made to the successful bidder for completion of all terms of the bid; surety bonds will be retained. Surety bonds must be issued by a surety company authorized to do business in Arkansas, and must be signed by a Resident Local Agent licensed by the Arkansas State Insurance Commissioner to represent that surety company. Resident Agent's Power-of-Attorney must accompany the surety bond. Certain bids involving labor will require Performance Bonds in the form of surety bonds only (no checks of any kind allowed). In such cases, the company issuing the surety bond must comply with all stipulations herein and must be named in the U. S. Treasury listing of companies holding Certificates of Authority as acceptable sureties on Federal Bonds and as acceptable reinsuring companies. Any excess between the face amount of the bond and the underwriting limitation of the bonding company shall be protected by reinsurance provided by an acceptable reinsuring company. Annual Bid and Performance Bonds on file with E & P Division must have sufficient unencumbered funds to meet current bonding requirements, or the bid will be rejected, unless the balance is submitted as set forth above, prior to bid opening.
4. **TAXES:** The AHTD is not exempt from Arkansas State Sales and Use Taxes, or local option city/county sales taxes, when applicable, and bidders are responsible to the State Revenue Department for such taxes. These taxes should not be included in bid prices, but where required by law, will be paid by the AHTD as an addition thereto, and should be added to the billing to the AHTD. The AHTD is exempt from Federal Excise Taxes on all commodities except motor fuels; and excise taxes should not be included in bid prices except for motor fuels. Where applicable, tax exemption certificates will be furnished by the AHTD.
5. **"ALL OR NONE" BIDS:** Bidders who wish to bid "All or None" on two or more items shall so stipulate on the face of bid sheet; otherwise, bid may be awarded on an individual item basis.
6. **SPECIFICATIONS:** Complete specifications should be attached for any substitution or alternate offered, or where amplification is necessary. Bidder's name must be placed on all attachments to the bid.
7. **EXCEPTIONS TO SPECIFICATIONS:** Any exceptions to the bid specifications must be stated in the bid. Any exceptions to manufacturer's published literature must be stated in the bid, or it will be assumed that bidder is bidding exactly as stated in the literature.
8. **BRAND NAME REFERENCES:** All brand name references in bid specifications refer to that commodity or its equivalent, unless otherwise stated in Bid Invitation. Bidder should state brand or trade name of item being bid, if such name exists.
9. **FREIGHT:** All freight charges should be included in bid price. Any change in common carrier rates authorized by the Interstate Commerce Commission will be adjusted if such change occurs after the bid opening date. Receipted common carrier bills that reflect ICC authorized rate changes must be furnished.
10. **SAMPLES, LITERATURE, DEMONSTRATIONS:** Samples and technical literature must be provided free of any charge within 14 days of AHTD request, and free demonstrations within 30 days, unless AHTD extends time. Failure to provide as requested within this period may cause bid to be rejected. Samples, literature and demonstrations must be substantially the same as the item(s) being bid, unless otherwise agreed to by AHTD. Samples that are not destroyed will be returned upon request at bidders expense. Samples from successful bidders may be retained for comparison with items actually furnished.
11. **GUARANTY:** Unless otherwise indicated in Bid Invitation, it is understood and agreed that any item offered or shipped on this bid shall be newly manufactured, latest model and design, and in first class condition; and that all containers shall be new, suitable for storage or shipment and in compliance with all applicable laws relating to construction, packaging, labeling and registration.
12. **BACKORDERS OR DELAY IN DELIVERY:** Backorders or failure to deliver within the time required may constitute default. Vendor must give written notice to the AHTD, as soon as possible, of the reason for any delay and the expected delivery date. The AHTD has the right to extend delivery if reasons appear valid. If reason or delivery date is not acceptable, vendor is in default.
13. **DEFAULT:** All commodities furnished will be subject to inspection and acceptance by AHTD after delivery. Default in promised delivery or failure to meet specifications authorizes the AHTD to cancel award or any portion of same, to reasonably purchase commodities or services elsewhere and to charge full increase, if any, in cost and handling to defaulting vendor. Applicable bonds may be forfeited.
14. **ETHICS:** *"It shall be a breach of ethical standards for a person to be retained, or to retain a person, to solicit or secure a State contract upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the contractor for the purpose of securing business."* (Arkansas Code, Annotated, Section 19-11-708).

SPECIFICATIONS

for

PARATRANSIT CONVERSION VAN WITH ADA EQUIPMENT (TRANSIT HIGH TOP)

PURPOSE OF SPECIFICATIONS

This item shall be a vehicle suitable for public transportation. The intent for these specifications is to set-forth the minimum performance for a commercial paratransit van which an option for to be fully ADA compliant. The vehicle shall be a conversion of a standard production fifteen-passenger van, which will be used to transport elderly and disabled persons living in urban and rural areas. Vehicle shall be available as a fixed seat passenger vehicle or offered as an optional wheelchair lift-equipped version with one or two securement areas. This vehicle shall accommodate various seating combinations for both ambulatory and wheelchair passengers and will be required to operate on all types of neighborhood streets and rural roads with frequent starts and stops.

All manufacturing modifications, equipment, devices, materials, warranties, miscellaneous items, etc. which the manufacturer customarily and routinely applies to the vehicle shall be included. No advantage shall be taken by the manufacturer in the omission of any part or detail which goes to make the vehicle complete and ready for service, even though such parts or detail are not mentioned in these specifications. Vehicle and modifications must comply with all Federal Motor Vehicle Safety Standards. All equipment provided must meet or exceed State and Federal requirements applicable to the equipment. All parts not specifically mentioned which are necessary in order to provide a complete vehicle, shall, at a minimum, conform in strength, quality of material and workmanship to what is provided by the automotive industry generally. All equipment and parts shall be new. This vehicle shall meet all ADA requirements for a paratransit demand response vehicle.

All equipment and parts shall be new and conform in strength; quality of material and workmanship to those approved by and generally utilized by the automotive industry and meets all applicable standards

Manufacturing shall be certified as an acceptable body builder by the chassis OEM proposed for modification.

CLASSIFICATION OF VEHICLE

The vehicle used for this conversion shall be a new, unused, current production model Ford or Chevrolet Cargo van, incorporating the latest engineering change, in a GVWR sufficient to accommodate all modifications and maximum passenger loading. The vehicle shall provide maximum passenger appeal in appearance, comfort, safety and economy of operation

PRINCIPAL SPECIFICATIONS

COMPONENT	SPECIFICATION
Air Conditioning System	Shall be the OEM's largest available BTU output system. An additional tie-in air conditioning system using a skirt mounted condenser shall be integrated into the vehicle to be compatible with the OEM system and shall provide an additional output of no less than 35,000 BTU/hr. All hoses, fittings, and clamps shall comply with SAE specification - J2064 Type D and be of a Quik-Click design or equivalent. Carrier AC Generation V or equivalent system will be provided.
Aisle Width	May vary according to seating configuration.
Alternator	Shall be the maximum amperage output available from the OEM and shall have a fast idle system which shall have both an automatic and manual activation and deactivation system.
Back-up Device	Shall be installed to provide an audible alarm to operate when vehicle is in reverse. The manufacturer's recommended model of the Intermotive Hawkeye or approved equal, shall be utilized.
Battery System	Battery system shall be a dual battery system supplied with the heavy duty commercial use batteries available providing a minimum 1250 CCA for both gasoline and diesel engines.
Body Paint	Shall be white as supplied by OEM.
Bumpers	Shall be provided at both the front and rear as supplied by OEM in the standard available finish. The entire body, sides, front, rear, and roof shall be insulated with fiberglass mats or equal.
Child Safety Alert System	Shall offer an option , a child safety alert system which requires the driver to perform an inspection of the passenger compartment before leaving the vehicles. The system shall be the Child Check-Mate System or an approved equal.
Dome Cap	Shall be of a style and design, which provides for the "wide-type" entrance doors with minimum wind resistance. The raised roof dome cap shall provide a minimum center aisle height of sixty-five (65) inches. Installation shall be performed to ensure the original manufacturer's side body integrity and impact strength. The roof cap shall be designed, constructed, and installed to ensure the maximum rollover protection required by federal and state motor carrier safety regulations. The maximum vehicle height shall not exceed 110 inches.
Door, Passenger Front Entrance	Shall be an extended OEM passenger door with a minimum ambulatory entry height of 65 inches. Ambulatory door (Wide-Type) shall have an electrical/mechanical power that allows operation by a dash-mounted switch. Power opener shall provide a smooth operation throughout the open and close cycle and shall be integrated with OEM vehicle dash, front passenger door and latch mechanism and must be designed to allow ease of troubleshooting and field maintenance and shall have an integrated manual backup system in the event of electrical or mechanical failure.
Drive Shaft	Shall have a safety guard to prevent a broken shaft from touching the ground or contacting brake lines.
Engine	Shall be the maximum horsepower rated gasoline eight cylinder engine offered by OEM manufacturer. Shall offer as an option , the maximum horsepower rated OEM diesel fueled, eight cylinder engine.
Exits, Emergency	Shall be the necessary window exits provided to comply with FMVSS 217
Floor Covering	Shall be a transit grade rubber with a minimum of 1/8-inch thickness. The floor covering shall be color keyed to the interior and seats subject to approval by the purchaser.

Floor Material	Shall be exterior grade water-resistant plywood no less than 5/8" thick.
Fuel Tank	Shall be the maximum available from the OEM model used and located in a protected area under the floor.
Grab Rail	A shall be installed adjacent to the entrance access to aide passenger with boarding. A grab rail shall also be installed to provide a passenger a secure holding area from front of vehicle to rear.
Heater/Defroster	Shall be the heaviest duty available equipped with auxiliary rear heating unit for the OEM model used and shall achieve and maintain an interior temperature of 65 F when the ambient temperature is 0 F.
Interior Finish	Shall be a type material of sufficient thickness and durability to maintain its appearance under heavy usage, and adequately supported to prevent buckling. Material and color shall be keyed to the seat color and subject to approval by the purchaser.
Interior lights	Shall include a minimum of six (6) passenger ceiling mounted courtesy lights, one (1) driver courtesy light and one or more shielded stepwell lights.
Metal and Metal Fasteners	All metal and metal fasteners, including any required nuts and washers, used in the manufacturing process shall be rust and corrosive resistant. Metal and metal coating processes to ensure rust and corrosive resistant properties shall be subject to testing and approval. Metal and metal screws exposed to the outside environmental elements shall be stainless steel or approved equal to the extent possible.
Mirrors, External	External mirrors shall be a 'breakaway design' with a minimum of 54 square inches of reflective area with one on each side of the vehicle and shall have added convex mirrors incorporated. Velvac fender mounted or approved equal.
Mirrors, Internal	Interior convex rear view mirror shall center mounted above the windshield to provide driver full view of the bus interior.
OEM Chassis	Shall have the following minimum dimensions: wheelbase – 138 inches, overall length – 230 inches.
Passenger Capacity	Shall accommodate a minimum of thirteen ambulatory passenger including driver in a non-lift configuration. Shall accommodate a minimum of eleven passengers including driver in either the one or two wheelchair position, lift-equipped version.
Placard, Safety	Shall be installed in a location clearly visible to the driver stating the maximum height restriction for the vehicle.
Radio	Shall provide an AM/FM/CD radio with public address mode and weather resistant external speaker. External speaker shall have a separate on-off switch.
Running Board	Shall provide a heavy gauge diamond plate aluminum running board on both the passenger and driver side to allow ease of access to cab area.
Rust proofing	Shall be applied to the entire underbody, including wheelhousing. Undercoating shall be TST or approved equal.
Seats, Child Safety Seat Restraints	All seats shall be FMVSS 225 compliant.
Seat, Driver	Shall be the OEM "captain type" seat or approved equal. Upholstery material shall match selected passenger seating materials.
Seats, Rear Passenger	Shall be offered, dependent upon configuration of unit ordered, in a combination of transit type seats which permit a center aisle, and shall include forward facing single and double type fixed seats; and, single and double fold-a-way seats for lift equipped vehicles. Minimum knee room on transverse mounted seats shall

	be 26” unless otherwise approved. All seats shall be FMVSS 225 compliant and equipped with underseat retractable passenger securement lap belts and retractable shoulder belts in all locations permitting the retractable unit. Standard lap and shoulder belts shall be provided in all locations not permitting a retractable unit. Securement belts shall be of a type and design that will secure both a passenger or a child safety seat in compliance with all FMVSS. Fixed seats and flip seats shall be individual bucket style. All fixed seats will have side bolsters in the seat cushion. Seats offered shall be the Freedman Feather Weight Low Back seating or approved equal. Upholstery material shall be CMI Dearborn Transit Series vinyl offered in the standard variety of solid colors, or an approved equal. Color selection shall blend with the OEM color scheme
Seats, Upholstery Option	Shall offer as an option the CMI Dream Catcher Series or an approval equal, and shall be offered in the standard variety of colors.
Seating Capacity	Shall have a standard seating capacity for ambulatory passengers in a non-ADA equipped design of twelve (12) ambulatory passengers not including driver. Seating capacity in units ordered with ADA wheelchair equipment may vary according to selected ADA options and seating options but shall not be less than ten (10) ambulatory passengers not including driver . <u>Seating diagrams depicting the manufacturers various offerings in both non-ADA equipped and ADA equipped units to meet the required specifications shall be submitted with each bid and shall include a weight analysis.</u>
Step and Stepwell	Shall be designed and constructed of corrosion resistant materials with adequate strength and reinforcing to accommodate a 250-pound passenger. Maximum riser height shall be 10 inches with a minimum tread depth of 8 inches.
Suspension System	Shall be load rated for the for the final GVW rating of the vehicle provided. Stabilizer bars shall be provided on front. Rear suspension must accommodate any increased load capacity of an optional lift, and a rear axle suspension enhancement system shall be installed to improve the ride quality by utilizing Mor/Ryde or an approved equal.
Tape, Safety Reflective	Shall be applied below the passenger window area on both the right and left sides, and on the rear of the vehicle. Tape shall be shall be a two-inch wide, high intensity, white reflective type and shall be subject to testing approval by the purchaser.
Tires and Wheels	Shall be the OEM’s premium tubeless all-season radials rated for the size and GVW to include a spare tire and wheel of the same OEM type. Any standard OEM provided lug wrench and jack shall also be included.
Transmission	Shall be automatic shift of the type recommended by manufacturer with either a built-in or external transmission oil cooler. Backup alarm controlled by transmission shift control in the reverse position shall be furnished
Web Cutter	Premium web cutters shall be supplied with each vehicle and shall be mounted in a highly visible location in the driver’s area and labeled “Seat Belt & Wheelchair Securement Belt Cutter.
Wheelchair Lift	Shall be mounted directly behind the front entrance door on the right (curb). Lift must be fully compliant with all ADA and FMVSS requirements and specifications. Shall be a Ricon, Braun, or approved equal, of a type and design which provides minimum visual obstruction for driver. ADA decals shall be affixed to the outside of the vehicle as is appropriate.
Wheelchair	Shall install two securement locations and provide restraint systems for each location. Belt restraint

Securement System	systems shall be a premium model complete wheelchair and occupant securement systems designed to for endurance and ease of use. All wheelchair tie downs shall have self-tensioning retractors and the lap/shoulder belts shall have retractors. Securement system shall be a L-track kit or approved alternate. A storage pouch, designed to accommodate restraint belts and constructed from commercial type heavy reinforced vinyl/cloth cloth type material, shall be affixed to the inside of the vehicle in a location easily accessible and does not interfere with passenger comfort or seating placement. Securement systems shall be Q'Straint, Sure-Lok or approval equal.
Windows, Sash and Side Windows	Shall be the horizontal top sliding type equipped with latches or OEM standard. All glass shall be tinted color smoke gray, darkest available according under OEM standard and specifications; or no less than 30% light transmitting.
Insulation	The entire body, sides, front, rear, and roof shall be insulated with fiberglass mats or equal.

**Federal Transit Administration Grant Programs
FTA BID NO. PT 07-04**

APPENDIX A TO INVITATION FOR BID (IFB)

TERMS, CONDITIONS, AND PROVISIONS

All Bidders will adhere to the following terms, conditions, and provisions:

Legal Requirements: Bidders must possess, and be in compliance with, all local, state, and federal licensing and other legal requirements for the distribution and/or sales of the motor vehicles and other products proposed; and, upon the request of the Department, shall submit a copy of any such licenses, permits, franchise agreement or other documentation as may be required.

Signatures: All bidders must complete the Bid Quotation Form by providing all required information and signed in ink. Each page of the Appendix A and B must be initialed and returned with the bid quotation. The Required Federal Certifications and Contractual Provisions (Appendix B) must be executed by completing and signed the last page in ink.

Specification Detail: All bidders shall provide the manufacturer's specifications in sufficient detail to determine compliance with all specifications set-forth in the advertisement for bids for chassis, body and accessories. The bidder shall provide scaled floor plan drawings of the proposed vehicle without a lift with seating and the proposed vehicle-seating configuration with optional lift and wheelchair tiedown spaces for one and two positions.

Warranty and Service Center: All bidders must have, or identify, a warranty and service location in Arkansas and staffed with factory trained personnel for all vehicles and major component equipment proposed. Further, the bidder must be able to perform, or have performed, warranty and service on all items not covered by original equipment manufacturer's warranty. Any such facility must have an adequate supply of parts to cover vehicle body components and related equipment (i.e., windows, seats, electrical system and lights, air conditioning, wheelchair lifts and tiedown equipment).

Deviation from Specifications: Any deviation from specifications must be explained in detail in accordance with prescribed procedures for requesting approved alternates to the specifications. Otherwise, it will be considered that labor, materials, and equipment bid is in strict compliance with the specifications and the successful Bidder will be held responsible for meeting the specifications. The request shall specifically refer to the applicable specification paragraph.

Bid Modification or Withdrawal: A bid may be modified or withdrawn by the bidder's authorized representative in person, or by written notice prior to the date/time set for bid opening. If bids are modified or withdrawn in

person, the authorized representative shall make his identity known and shall sign a receipt for the bid. Written notices shall be received in the office designated in the Department's Bid Invitation form, no later than the exact date/time for bid opening. After the sealed price proposals are opened, bids may not be withdrawn for 60 calendar days.

Questions: A bidder may discuss these specifications, and any addenda with the Department's authorized representative. Such discussions do not, however, relieve bidders from the responsibility of submitting written, documented requests as required by these procedures. Any bidder in doubt as to the true meaning of any part of this IFB or related documents may submit a written request to the Department for interpretation thereof.

Alternates, Clarifications, or Exceptions: A bidder may submit, to the Department, requests for approved alternates, clarifications, or exceptions to the specifications. Such requests must be submitted in writing no less than ten (10) State business days prior to the bid opening date.

Bid Preparation: Bidders shall submit one (1) copy of their bid on the prescribed form provided in this IFB along with standard floor plan schematics for both the lift and non-lift equipment versions, as applicable, and all other information, material, and certifications as required by this IFB. It must be plainly marked by the bidder who will be responsible for their completeness and accuracy. All blank spaces must be filled in or noted in ink or typed. Bids having erasures or corrections must be initialed in ink by the bidder. All forms contained herein are to be completed and signed by the Authorized Signee. No changes shall be made in the wording on the forms. Bids shall be in the units specified for each item. The bidder shall enter the company name wherever so indicated and shall sign wherever so indicated. All bids must be submitted in a sealed envelope, addressed, and mailed or delivered as stated in the Department's Bid Invitation form.

Responsibility: AHTD will make awards only to responsible bidders possessing the ability to perform successfully under the terms, conditions, and provisions herein, as well as, the certifications required. The lowest responsive bidder must possess the ability to perform successfully and a willingness to comply with the terms, conditions, and provisions of a proposed contract. Prospective contractors must meet all of the following: financial resources adequate to perform the contract; ability to meet the required delivery schedule; satisfactory performance record; satisfactory record of integrity and business ethics; necessary organization, experience, accounting, and operational controls, and technical skills; compliance with applicable licensing and tax laws and regulations; necessary production, construction, and technical equipment and facilities, or the ability to obtain them; and, other qualifications and eligibility criteria necessary to receive an award under applicable laws and regulation.

Inquires: Any inquiry relating to the technical aspects of the specifications should be directed to: Mickey Newcomb, Administrator, Public Transportation Section, Arkansas State Highway & Transportation Department, P.O. Box 2261, Little Rock, Arkansas 72203, telephone @ (501) 569-2471, FAX @ (501) 569-2476.

Protests: Protests to any decision made by the Department, or its delegate, may be filed with the Department; bidders must submit full documentation as to the nature of the protest and/or reasons why the action of the Department has inhibited competition or violated its procurement regulations.

The successful Bidder upon award will adhere to the following terms, conditions, and provisions:

Term of Purchase Agreement: The bid award prices subsequent to this bid shall be for the purchase of one or more units for a period commencing with the date of award through June 30, 2007. This contract may be extended for one or more years upon mutual agreement of the parties on or before the above date of termination.

Quantities: Actual total quantities of vehicles that will be ordered are not known at this time.

Pre-Delivery Inspection: The transit vehicle shall be delivered to the dealership that is awarded a contract by the Arkansas State Highway and Transportation Department (AHTD) complete with all necessary appurtenances and equipment, manufacturer's certificate of origin, safety inspection, and shall be ready for operation. Upon delivery of the transit vehicle(s) to the dealership, AHTD shall be notified so that the transit vehicle(s) can be inspected and tested before final delivery to AHTD. AHTD shall not be deemed to have accepted any transit vehicle until it has successfully passed all such tests and inspections in the sole and absolute opinion of the AHTD. The AHTD will notify the dealership in writing within 15 days of receipt if the transit vehicle has/ has not been accepted. A letter of non-acceptance or a Motor Vehicle Report will furnish details of the deficiencies.

Delivery: Bid prices shall include delivery of all vehicles to the Arkansas State Highway and Transportation Department (AHTD) at the following F.O.B. location, 11302 Baseline Road, Little Rock, Arkansas, and shall include the regular warranty, any Arkansas motor vehicle safety inspection required and service regularly furnished on new vehicles sold to the public. Delivery shall be determined by signed receipt of the Department's designated representative at the point of delivery indicated above and may be preceded by an inspection of the unit. The vehicle shall be delivered **within 120 calendar days** following receipt of AHTD purchase requisition; however, bidders are encouraged to state best possible delivery date ahead of the requirement stated herein:

Fuel Level at Delivery: All vehicles shall be delivered to the F.O.B. location with the fuel tank containing no less than one-quarter full according to the fuel gauge.

Delay in Delivery: In the event of delivery of completed transit vehicle purchased under this contract shall be necessarily delayed because of strike, injunctions, government controls, weather, or by reason of any other cause or circumstance beyond the control of the Bidder, the time of completion of delivery shall be extended by mutual agreement between the AHTD and the Bidder.

Demonstration: AHTD reserves the right to test drive make and model of vehicles bid on prior to a contract being awarded. Samples may be demonstrator models with equipment similar, but not necessarily identical, to that listed in this specification.

Federal Register Standard: Any equipment furnished on a vehicle purchased under this specification for which "Federal Register Standard" has been established at time of delivery shall comply with the requirements of applicable standard and all equipment required by said standard shall be furnished whether or not it is specifically mentioned in this specification.

Operator's Manual: The successful bidder shall furnish copy of Operator's Manual published by vehicle manufacturer with each vehicle delivered.

Advertisements: No dealer advertisement shall be affixed to the vehicle.

Serviced: Each vehicle shall be completely serviced, cleaned and thoroughly inspected (in accordance with manufacturer's required or recommended pre-delivery service) just prior to delivery to the AHTD.

Vehicle OEM Warranty - The successful bidder shall not allow any contractors/manufacturers to perform any manufacturing process, component installation, or take any other action which will violate or otherwise cause the vehicle OEM to withdraw their full and complete warranty.

Warranties: The successful bidder shall furnish all warranty data for each vehicle delivered, as well as any warranty data for non-OEM components installed. The warranty data shall contain all necessary information such as make, model, serial number, etc., and shall be appropriately executed and assigned at the time vehicle is delivered to AHTD.

Documents: The successful bidder shall furnish, at the time of delivery to AHTD, all necessary documents required for titling and licensing the vehicle in accordance with all law and regulations. An original invoice to Public Transportation Section, AHTD, P.O. Box 2261, Little Rock, AR 72203 for each vehicle must also be included.

Compliance: The vehicle shall conform in all respects to the applicable Motor Vehicle Laws of the State of Arkansas. The vehicle shall also, at a minimum, conform to applicable Federal Motor Vehicle Safety Standards (FMVSS).

Certification Tag: The dealer or manufacturer shall affix a certification tag inside the vehicle that states the actual passenger design capacity including the driver.

The Department shall adhere to the following:

Payment Schedule: The Department shall make payment in full within thirty (30) days after acceptance of each unit provided that the Bidder has submitted an advance notice of invoice fifteen (15) days prior to delivery of each unit/or spare parts and an official final invoice upon delivery. Bidder shall make the "Certificate of Origin" in the name of organization stipulated in the Department's Purchase Order(s).

Qualifications for Award: The award, if any, shall be the lowest priced responsive and responsible bidder. Responsible bidders shall be determined, in part, through the following criteria. The bidder must be a person, firm or corporation that: a) Has in operation, or has the capability to have in operation, a licensed dealership or manufacturing plant adequate to assure delivery of all equipment within the time specified under this contract; b) Has adequate engineering and/or service personnel or has the capability to have such personnel to satisfy any engineering or service problems that may arise during the warranty period; c) Has the necessary facilities and financial resources, or has the capability to obtain such facilities and resources, to complete the contract in a satisfactory manner within the required time.

Investigations: The Department reserves the right to make such investigations as it may deem necessary to establish the competency and financial ability of any Bidder to perform the work. If, after the investigation, the evidence of competency and financial ability is not satisfactory, the Department reserves the right to reject the Bid.

Bidder Review Procedures: All sections of this IFB and all supplementary documents are essential parts of the bid award and performance contract and requirements occurring in one or as though occurring in all. These specifications and all other clauses in their entirety shall be included in, and made a part of, the contract between the Department and the successful bidder.

Interpretation, Changes, and Modifications: Any interpretation, change, or modification made to the specifications by the Department will be made only by a written addendum. A copy of such addendum will be mailed or delivered to each bidder receiving a set of documents and shall be applicable to all respective bidders.

Bid Postponement and Amendment: The Department reserves the right to revise or amend the specifications. Such revisions and amendments, if any, shall be announced by addenda to this solicitation. Copies of such addenda shall be furnished to all prospective bidders. If the revisions and amendments require changes in quantities or prices bid, or both, the date set for opening bids may be postponed by such number of days as, in the opinion of the Department, shall enable bidders to revise their bids. In any case, bid opening shall be at least 5 working days after the last addendum, and the addendum shall include an announcement of the new date, if applicable, for opening bids.

Public Bid Opening: Bids shall be publicly opened and read aloud at the time and place indicated in the Department's Bid Invitation. Their content, including documents marked proprietary, shall be made public for the information of bidders and other interested parties, who may be present, either in person or by representatives.

Award of Contract: Any award will be made by written notice to the successful Bidder within sixty (60) days after the opening of the bids. Bids must therefore remain valid for sixty (60) days from date of the bid opening.

Responsiveness: The Department shall determine responsiveness by the Bidder's adherence to the specifications as defined herein or by addenda; completeness of bid, and satisfactory submittal of fully executed bid forms and certifications, and bid and performance bonds. Responsiveness to this bid shall also be determined by the Bidder's substantiation of qualifications, including consideration of past performance.

Bid Rejection: The Department reserves the right to waive any and all minor bid informalities or irregularities received, or to reject, for good and compelling reasons, any and all bids submitted. Conditional bids, or those which take exceptions to the specifications, will be considered nonresponsive and will be rejected.

Single Bid Response: If only one bid is received in response to the invitation for bids, a detailed cost proposal may be requested of the single bidder. A cost/price analysis and evaluation and/or audit may be performed of the cost proposal in order to determine if the price is fair and reasonable.

Addenda: Addenda issued by the Department prior to the bid opening shall be binding as if written into the original IFB.

Bid Evaluation Criteria: A selection committee will review and evaluate all bids submitted.

**Federal Transit Administration Grant Program
FTA BID Number: PT 07-04**

APPENDIX B TO INVITATION FOR BID (IFB)

REQUIRED FEDERAL CERTIFICATIONS AND CONTRACTUAL PROVISIONS

The Bidder shall comply with the following requirements. The term "Department" shall mean the Arkansas State Highway and Transportation Department.

Conflict of Interest: The Bidder hereby certifies that no employee, officer, or agent of the grantee shall participate in the selection or in the award or administration of a contract if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when: a) The employee, officer, or agent; b) Any member of his immediate family; c) His or her partner; or d) An organization which employs, or is about to employ, has a financial or other interest in the firm selected for award. The Department's officers, employees or agents shall neither solicit nor accept gifts, gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to subagreements.

Prohibited Interest: The Bidder hereby certifies that no member, officer, employee of the Department during his or her tenure or for one (1) year thereafter shall have any interest, direct or indirect, in any bid award or the proceeds therefrom.

Disadvantaged Business Enterprises - Transit Vehicles Manufacturers: The Bidder hereby certifies that as a condition of being authorized to bid on FTA-assisted transit vehicle procurements that said manufacturer of transit vehicles proposed has complied with the requirements of 49 CFR part 26 Section 26.49. The transit vehicle manufacturer makes the certification required by Section 26.49 if they have submitted the goal this section requires and FTA has approved it or not disapproved it.

Motor Vehicle Pollution Requirements: The Bidder hereby certifies that: 1) The horsepower of the vehicle is adequate for the speed, range and terrain in which it will be required to operate and also to meet the demands of all auxiliary power equipment. 2) All gases and vapors emanating from the crankcase of a spark ignition engine are controlled to minimize their escape into the atmosphere. 3) Visible emission from the exhaust will not exceed No. 1 on the Ringlemann Scale when measured six inches from the tail pipe with the vehicle in steady operation. 4) When the vehicle has been idled for three minutes and then accelerated to 80% of the rated speed under load, the capacity of the exhaust will not exceed No. 2 on the Ringlemann Scale for more than five (5) seconds, and not more than No. 1 on the Ringlemann Scale thereafter.

Americans With Disabilities Act Accessibility Standards: The Bidder hereby certifies that the vehicle bid, if so required by the specifications, has been modified and equipped in accordance with all accessible requirements and standards as required by the American With Disabilities Act of 1990, 49 CFR Part 38 (Federal Register, September 6, 1991, Appendix A Subsection G, “Van and Small Buses”).

Free Competitive Bidding Affidavit (Section 112 (c) of Title 23, United States Code): Bidder has not, either directly, or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the bid submitted herein.

Non-Collusion Certification: The Bidder attests that he or she is the person responsible within its firm for the final decision as to the price(s) and amount of this bid and further attest that: 1) The price(s) and amount of this bid have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition with any other Vendor, Bidder or potential Bidder. 2) Neither the price(s) or the amount of this bid has been disclosed to any other firm or person who is a Bidder or potential Bidder on this project, and will not be so disclosed prior to bid opening. 3) No attempt has been made or will be made to solicit, cause or induce any firm or person to refrain from bidding on this project, or to submit a bid higher than the bid of this firm, or any intentionally high or non-competitive bid or other form of complimentary bid. 4) The bid of its firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complimentary bid. 5) Its firm has not offered or entered a subcontract or agreement regarding the purchase of materials or services from any firm or person, or offered, promised or paid cash of anything of value to any firm or person, in consideration for an agreement or promise by any firm or person or person to refrain from bidding or to submit a complementary bid on this project. 6) Its firm has not offered or promised any subcontract or agreement regarding the sale of materials or services to any firm or person, and has not been promised or paid cash or anything of value to any firm or person, whether in connection to any other project, in consideration for my firm’s submitting a complementary bid, or agreeing to do so, on this project. 7) The Bidder has made a diligent inquiry of all members, officers, employees, and agents of its firm with responsibilities relating to the preparation, approval, or submission of its firm’s bid and have been advised by each of them that he or she has not participated in any communication, consultation, discussion, agreement, collusion, act or other conduct inconsistent with any of the statements and representations made in this affidavit.

Energy Conservation: The Bidder agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

Clean Water: The Bidder agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 USC 1251 et seq. The Bidder agrees to report each violation to the Department and understands and agrees that the Department will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office. The Bidder also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

Clean Air: The Bidder agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 USC 7401 et seq. The Bidder agrees to report each violation to the Department and understands and agrees that the Department will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office. The Bidder also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA

Bus Testing: The Bidder certifies that the vehicle(s) offered in this procurement complies with 49 USC A5323(c) and FTA's implementing regulation at 49 CFR Part 665 and shall perform the following: 1) A manufacturer of a new bus model or a bus produced with a major change in components or configuration shall provide a copy of the final test report to the Department prior to the Department's final acceptance of the first vehicle. 2) A manufacturer who releases a report under paragraph 1 above shall provide notice to the operator of the testing facility that the report is available to the public. 3) If the manufacturer represents that the vehicle was previously tested, the vehicle being offered should have the identical configuration and major components as the vehicle in the test report, which must be provided to the Department prior to final acceptance of the first vehicle. If the configuration or components are not identical, the manufacturer shall provide a description of the change and the manufacturer's basis for concluding that it is not a major change requiring additional testing. 4) If the manufacturer represents that the vehicle is "grandfathered" (has been used in mass transit service in the United States before October 1, 1988, and is currently being produced without a major change in configuration or components), the manufacturer shall provide the name and address of the recipient of such a vehicle and the details of the vehicle's configuration and major components.

The Bidder understands that misrepresenting the test status of a vehicle acquired with Federal financial assistance may subject the undersigned to civil penalties outlined in the Department of Transportation's regulation on Program Fraud Civil Remedies, 49 CFR Part 31. In addition the undersigned understands that FTA may suspend or debar a manufacturer under the procedures in 49 CFR Part 29.

Pre-Award and Post Delivery Audit Requirements: The Bidder hereby agrees to comply with 49 USC 5353(1) and FTA's implementing regulation at 49 CFR Part 663 and to submit the following certifications: 1) Buy America

Requirement - The Bidder shall submit a declaration certifying compliance with Buy America by submitting documentation which lists a) component and subcomponent parts of the rolling stocks to be purchased identified by manufacturer of the parts, their country of origin and costs; and b) the location of final assembly point for the rolling stock, including a description of the activities that will take place at the final assembly point and the cost of final assembly. 2) Solicitation Specification Requirement - The Bidder shall submit evidence that it will be capable of meeting bid specifications. 3) Federal Motor Vehicle Safety Standards (FMVSS) - The Bidder shall submit manufacturer's FMVSS self-certification sticker information that the vehicle complies with relevant FMVSS. The Bidder further agrees to certify compliance with the requirements of 49 USC Section 5323(j)(2)(C), Section 165(b)(3) of the Surface Transportation Assistance Act of 1982, as amended, and the regulation of 49 CFR 661.11.

Buy America: The Bidder here by certifies that it will comply with 49 USC 5323(j) and 49 CFR Part 661, which provides that Federal funds may not be obligated unless steel, iron, and manufactured products used in the FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA, or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7, and include final assembly in the United States for 15 passenger vans and 15 passenger produced by Chrysler Corporation. Separate requirements for rolling stock are set out as 5323(j)(2)(C) and 49 CFR 66.11. Rolling Stock not subject to a general waiver must be manufactured in the United States and have 60 percent domestic content. Upon determination of the low or responsive Bidder, the Department will provide a form to be completed by the manufacturer for the buy America certification.

Should the Bidder be unable to certify that it can comply with the requirements of 49 USC 5323(j)(2)(C), but may qualify for an exception pursuant to 49 USC 5323(j)(2)(B) or (j)(2)(D) and the regulations in 49 CFR 661.7, the Bidder shall enclose, with these Certifications, a signed statement to that effect which contains a full and complete explanation as to the reasons for an exception.

Lobbying: Byrd Anti-Lobbying Amendment, 31 USC 1352, as amended by the Lobbying Disclosure Act of 1995, P.O. 104-65 [to be codified as 2 USC 1601, et seq.] – Bidders who apply or bid for an award of \$100,000 or more shall file the certification required by 49 CFR part 20, “New Restrictions on Lobbying.” Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization to influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier shall also disclose the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contracts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 USC 1352. Such disclosure are forwarded from tier to tier up to the recipient.

APPENDIX A 49 CFR PART 20 – CERTIFICATION REGARDING LOBBYING

The Bidder certifies, to the best of his or her knowledge and belief, that: 1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement. 2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for making lobbying contacts to an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, the undersigned shall complete and submit Standard Form--LLL, "Disclosure Form to Report Lobbying" 61 Fed Reg. 1413(1/19/96). 3) The undersigned shall require that the language of this certification be included in the award documents of all subawards at all tiers and that all subrecipients shall certify and disclose accordingly

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, USC 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 or not more than \$100,000 for each such failure. The Bidder certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Bidder understands and agrees that the provisions of 31 USC A 3801, et seq., apply to this certification and disclosure, if any.

Contract Work Hours (Section 102 – Overtime): (1) Overtime requirements - No Bidder or subcontractor for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. (2) Violation: liability for unpaid wages; liquidated damages – In the event of any violation of the clause set forth in paragraph (1) of this section the Bidder and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Bidder and subcontractor shall be liable to the United States for liquidated Damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of

forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section. (3) Withholding for unpaid wages and liquidated damages – The Department shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Bidder or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Bidders or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section. (4) Subcontracts – The Bidder or subcontractor shall insert in any subcontract the clauses set forth in this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in this section. (5) Payrolls and basic records – (i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid, daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic included the amount of any costs reasonable anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Bidder shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Bidders employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certifications of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

Civil Rights: Nondiscrimination – In accordance with Title VI of the Civil Rights Act, as amended, 42 USC 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 USC 6102, section 202 of the Americans with Disabilities Act of 1990, 42 USC 12132, and Federal transit law at 49 USC 5332, the Bidder agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex age, or disability. In addition, the Bidder agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may use. Equal Employment Opportunity – (a) In accordance with Title VII of the Civil Rights Act, as amended, 42 USC 2000e, and Federal transit law at 49 USC 5332, the Bidder agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor regulations, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor, “41 CFR Parts 60 et seq., (which implement Executive Order No. 11246,

“Equal Employment Opportunity,” as amended by Executive Order No. 11375, “Amending Executive Order 11246 relating to Equal Employment Opportunity, “ 42 USC 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future effect construction activities under taken in the course of the Project. The Bidder agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Bidder agrees to comply with any implementing requirements FTA may issue. (b) In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 USC 623 and Federal transit law at 49 USC 5332, the Bidder agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Bidder agrees to comply with any implementing requirements FTA may issue. (c) In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 USC 12112, the Bidder agrees that it will comply with the requirements of U. S. Equal Employment Opportunity Commission, “Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act, “ 29 DFR Part 1630, pertaining to employment of persons with disabilities. In addition, the Bidder agrees to comply with any implementing requirements FTA may issue.

The Bidder also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

Access to Records and Reports: The Bidder agrees to provide the Department, FTA Administrator, the Comptroller General of the United States or any of their duly authorized representatives with access to any books, documents, papers and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions. The Bidder agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Bidder agrees to maintain all books, records, accounts and reports required under this contract for a period of not less than three years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case the Bidder agrees to maintain same until the Department, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(I)(11).

No Obligation by the Federal Government: The Department and Bidder acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of this bid,

absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Department, Bidder, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the award of this bid.

Federal Changes: The Bidder shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Agreement (Form FTA MA (3) dated October, 1997) between Department and FTA, as they may be amended or promulgated from time to time during the term of the bid award. Bidder's failure to so comply shall constitute a material breach of any bid award.

Program Fraud and False or Fraudulent Statements or Related Acts: 1)The Bidder hereby acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 USC 3801 and USDOT regulations, "Program Fraud Civil Remedies, "49 CFR Part 31, apply to its actions pertaining any bid award. Upon award of any bid, the Bidder certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to any bid award. In addition to other penalties that may be applicable, the Bidder further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Bidder to the extent the Federal Government deems appropriate. 2) The Bidder also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 USC 5307, the Government reserves the right to impose the penalties of 18 USC 1001 and 49 USC 5307(n)(1) on the Bidder, to the extent the Federal Government deems appropriate. 3) The Bidder agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

Termination: Termination for Convenience - The Department may terminate any bid award, in whole or in part, at any time by written notice to the Bidder when it is in the Government's best interest. Termination for Default - If the Bidder does not deliver in accordance with the delivery schedule, or if the Bidder fails to comply with any other provisions of the bid award, the Department may terminate for default. Termination shall be effected by serving a notice of termination on the contractor setting forth the manner in which the Bidder is in default. The Bidder will only be paid the contract price for items delivered and accepted. If it is later determined by the Department that the Bidder had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Bidder, the Department, after setting up a new delivery schedule, may allow the Bidder to continue delivery, or treat the termination as a termination for convenience.

Debarment and Suspension: Debarment, Suspension, and Other Responsibility Matters – Bidders are required to pass this requirement on to subcontractors seeking subcontracts over \$100,000. (1) By signing and submitting this bid, the prospective lower tier participant is providing the signed certification set out as follows. (2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department may pursue available remedies, including suspension and/or debarment. (3) The prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. (4) The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” participant,” “persons,” “lower tier covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549 [49 CFR Part 29]. You may contact the Department for assistance in obtaining a copy of those regulations. (5) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by the Department. (6) The prospective lower tier participant further agrees by submitting this bid that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction”, with modification, in all lower tier covered transaction and in all solicitations for lower tier covered transactions. (7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List issued by U.S. General Service Administration. (8) Nothing contained in the foregoing shall be construed to require establishment of system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealing. (9) Except for transactions authorized under Paragraph 5 of these instruction, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to all remedies available to the Federal Government, the Department may pursue available remedies including suspension and/or debarment. Debarment, Suspension, Ineligibility and Voluntary Exclusion: The Bidder hereby certifies, by submission of this bid, that neither it or its “principals” [as defined at 49 CFR 29.105(p)] is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

Breaches and Dispute Resolution: Disputes - Disputes arising in the performance of any bid award which are not resolved by agreement of the parties shall be decided in writing by the Department's Chief Legal Counsel. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the Bidder mails or otherwise furnishes a written appeal to the Department's Chief Legal Counsel. In connection with such appeal, the Bidder shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the Department's Chief Legal Counsel shall be binding upon the Bidder and the Bidder shall abide by the decision. Performance During Dispute - Unless otherwise directed by the Department, the Bidder shall continue performance under any bid award while matter in dispute are being resolved. Claims for Damages - Should either party to the bid award suffer injury or damage to person or property because of any act or omission of the party of any of his employees, agents or other for whose acts he is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage. Remedies - Unless provided otherwise, all claims, counterclaims, disputes and other matters in question between the Department and the Bidder arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree. Rights and Remedies - The duties and obligations imposed by the bid award and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed by law. No action or failure to act by the Department or Bidder shall constitute a waiver of any right or duty afforded any of them under the bid award, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Changes: Any proposed changes in a Bidder's award contract shall be submitted to Department in writing for its prior approval.

These required Federal certifications and contractual provisions for vehicle procurement by the Department under the Federal Transit Administration Grant Programs must be completed and signed in order that the bid shall be considered responsive. In signing this document, I declare under penalties of perjury that the certifications and assurances, and any other statements made by me, are true and correct.
