

## **ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT**

### **REQUEST FOR LETTERS OF INTEREST**

Notice is hereby given that the Arkansas State Highway and Transportation Department is seeking letters of interest from qualified engineering consultant firms for three separate contracts for traffic volume counts, traffic classification counts, and intersection turning movement counts.

The work will generally consist of conducting 48-hour volume counts annually, conducting 48-hour classification counts annually, and conducting intersection turning movement counts on a count-by-count basis. All counts will be conducted statewide at locations specified by the Department and each of these contracts will be for calendar years 2008, 2009, and 2010.

A letter of interest specifying which contract or contracts the firm is interested in, together with general information on the firm, the firm's brochure showing experience in similar work, Form SF-330, Parts I and II, and a resume of key personnel to be assigned to the project should be addressed to:

Mr. Frank Vozel  
Deputy Director and Chief Engineer  
Arkansas State Highway                      OR  
and Transportation Dept.  
P. O. Box 2261  
Little Rock, AR 72203

Mr. Frank Vozel  
Deputy Director and Chief Engineer  
Arkansas State Highway  
and Transportation Dept.  
10324 Interstate 30  
Little Rock, AR 72209

Five (5) sets of responses must be received no later than 4:00 p.m. on September 20, 2007. Any responses received after this deadline will not be considered.

After a review of all letters of interest received, selected firms will be furnished a scope of work and requested to submit proposals for accomplishing the work.
