@AHTD

PURPLE ROUTE (U.S. Highway 70 Alternate)

Eastbound (heading toward Memphis)
Exit 216 (Brinkley), Exit 221 (Wheatley), and Exit 233 (Palestine) provide access to U.S. Highway 70. **Note:** State Highway 78 (Exit 221) is a weight restricted road. No trucks over 64,000 pounds allowed. **Note:** State Highway 261 (Exit 233) has a low ground clearance at-grade railroad crossing. No lowboy trucks permitted. To get around the work zone, follow U.S. Highway 70 through Forrest City and until reaching any of the following intersections: State Highway 75 (Exit 256), State Highway 149 (Exit 260), or U.S. Highway 79 (Exit 265). Any of these highways will provide access back to I-40 eastbound toward Memphis.

Westbound (heading toward Little Rock)
Exit 265 (Hughes), Exit 260 (Earle), and Exit 256 (Parkin) provide access to U.S. Highway 70. To get around the work zone, follow U.S. Highway 70 through Forrest City and until reaching any of the following intersections: State Highway 261 (Exit 233), State Highway 78 (Exit 221), or U.S. Highway 49 (Exit 216). **Note:** State Highway 78 is a weight restricted road. No trucks over 64,000 pounds allowed. **Note:** State Highway 261 has a low ground clearance at-grade railroad crossing. No lowboy trucks permitted. Any of these highways will provide access back to I-40 westbound toward Little Rock.

BLUE ROUTE (U.S. Highway 64 Alternate)

Eastbound (heading toward Memphis)
Exit 216 (Brinkley) and Exit 239 (Forrest City) provide access to U.S. Highway 64. To get around the work zone, follow U.S. Highway 64 to I-55 (Exit 10 in Marion). Follow I-55 south into West Memphis.

Westbound (heading toward Little Rock)
Exit 277 (I-55 northbound toward Blytheville), Exit 275 (State Highway 118) and Exit 271 (State Highway 147) provide access to U.S. Highway 64. **Note:** Exit 277 must follow I-55 northbound to Exit 10 (Marion) for access to U.S. Highway 64. To get around the work zone, follow U.S. Highway 64 until reaching any of the following intersections: State Highway 1 (Wynne) or U.S. Highway 49 (Fair Oaks). Both of these highways will provide access back to I-40 westbound toward Little Rock.

Estimated Completion: Summer 2014
