

The Honorable Governor Mike Beebe
State Capitol
Little Rock, AR

And

Arkansas Highway & Transportation Commission
Little Rock, AR

We the undersigned plead your consideration of the following:

1. For growth and economic benefit, the expansion of Highway 67 into a multi-lane highway from Walnut Ridge to the Missouri state line should be expedited by the Arkansas Highway and Transportation Commission as soon as possible.
2. We propose a multi-lane (4 or 5 lane) highway that follows the existing two-lane route, with bypasses at Pocahontas and Corning.
 - A. We feel that with the Missouri Hwy. Commission not committing to an interstate spec highway for Hwy. 67 North from the Missouri line and the extra major expense in building a multi-lane Interstate highway from Walnut Ridge to the Missouri line, that such a highway is not feasible in the next generation of road building. Therefore, we endorse the improvement of the existing 67 Highway to a multi-lane highway.
