Williams Sponge Rubber Exp. Jt.	Williams Products, Inc. 1750 Maplelawn Blvd. Troy, Michigan 48084 (248)643-6400

Method of Documentation of Acceptance: By brand and manufacturer.

To gain acceptance as an approved material on the Qualified Products List, the following procedure must be followed:

1. Sample(s) shall be submitted to Materials Division for verification testing.
2. Suppliers/Manufacturers shall provide to the Materials Division the Manufacturer's certification for each material stating compliance with the appropriate specification.
3. Suppliers / Manufacturers shall provide product information and Material Safety Data Sheets if applicable.
4. When deemed necessary by the Materials Engineer and at a frequency determined by same, samples shall be taken and tested on a random basis on materials from each manufacturer.
5. Continued material failure will be considered sufficient reason to discontinue acceptance of material from a manufacturer, determination of which shall be by the Materials Engineer.
