HOT POUR JOINT SEALANT APPLICATIONS

<u>Product</u>	<u>Manufacturer</u>
Cera Rod	W. R. Meadows
HBR XL	Nomaco, Inc.
Hot Rod XL	SSI Construction & Industrial Materials

METHOD OF DOCUMENTATION OF ACCEPTANCE: By brand and manufacturer.

The following procedure must be followed in acquiring approval of materials to be added to the Qualified Products List.

1. Sample(s) of the material along with product information shall be submitted to the Materials Division for evaluation.
2. When deemed necessary by the Materials Engineer and at a frequency determined by same, samples shall be taken and tested on a random basis on materials from each manufacturer.
3. Continued material failure will be considered sufficient reason to discontinue acceptance of material from a manufacturer, determination of which shall be by the Materials Engineer.
