PULASKI COUNTY (8-26) – Bridge work requires temporary lane closures in Little Rock, according to Arkansas Department of Transportation (ArDOT) officials.

Weather permitting, bridge crews will close the inside and middle lanes of westbound Interstate 30 near mile marker 138 between the 65th Street Exit (Exit 137) and the South Terminal Interchange from 7:00 p.m. to 5:00 a.m. Wednesday, August 26. This closure will allow crews to work on the I-30 bridge deck that crosses Arch Street (Highway 367).

Traffic will be controlled by signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter @myArDOT.
