Notice of Non-Discrimination

The Arkansas State Highway and Transportation Department (Department) complies with all civil rights provisions of federal statutes and related authorities that prohibited discrimination in programs and activities receiving federal financial assistance. Therefore, the Department does not discriminate on the basis of race, sex, color, age, national origin, religion or disability, in the admission, access to and treatment in Department's programs and activities, as well as the Department's hiring or employment practices. Complaints of alleged discrimination and inquiries regarding the Department's nondiscrimination policies may be directed to James B. Moore, Jr., Section Head - EEO/DBE (ADA/504/Title VI Coordinator), P. O. Box 2261, Little Rock, AR 72203, (501) 569-2298, (Voice/TTY 711), or the following email address: james.moore@arkansashighways.com.

This notice is available from the ADA/504/Title VI Coordinator in large print, on audiotape and in Braille.

Free language assistance for Limited English Proficient individuals is available upon request.

Introduction

This year's directory is the result of a new collaborative effort between the Public Transportation Programs Section of the Arkansas State Highway and Transportation Department (AHTD) and the Arkansas Transit Association (ATA).

The primary purpose of the directory is to educate both users and non-users of public and private transportation with information about metropolitan planning organizations, publicly and privately owned public transit and paratransit passenger carriers as well as commuter services and other for-hire services, and their geographic distribution throughout the State. Information about privately owned paratransit carriers relates to only those receiving assistance through the AHTD.

AHTD Public Transportation Programs Staff

James “Mickey” Newcomb, Public Transportation Administrator - Mickey manages the AHTD Public Transportation Programs Section, which includes the fiscal and management oversight of all public transit programs administered by the State.

Phone: (501) 569-2471 Fax: (501) 569-2476
Email: Mickey.Newcomb@arkansashighways.com

Donny McMillen, FTA Grants Officer - Donny prepares and submits each grant application to FTA. He also prepares and submits quarterly and annual **Grant Reports** required by the FTA. Further, Donny is responsible for the **ARRA Report** submittals.

Phone: (501) 569-2475 Fax: (501) 569-2476
Email: Donny.McMillen@arkansashighways.com

Steven Alexander, Administrative Officer - Steven manages the **Section 5317 New Freedom Program**. Steven also coordinates activities with the **Section 5303: Metropolitan Planning Organizations** and **Sections 5307: Urbanized Area Public Transit**. Additional responsibilities include monitoring **Transit Planning Studies, Federal Transit Reauthorization Activities** and completing **Transit Surveys**.

Phone: (501) 569-2561 Fax: (501) 569-2476
Email: Steven.Alexander@arkansashighways.com

Charles Brewer, Transportation Specialist - Charles manages the **Section 5316: Job Access and Reverse Commute (JARC) Program** along with the **State TransLease Program**. He is also responsible for **Rail Safety & Security** and **Drug & Alcohol** compliance reviews. Additionally, Charles also prepares **Vehicle Specifications and Bids** and conducts **New Vehicle Inspections**.

Phone: (501) 569-2478 Fax: (501) 569-2476
Email: Charles.Brewer@arkansashighways.com

Danny Chidester, Transportation Specialist - Danny manages the Section 5310: Elderly Persons and Persons with Disabilities grant and is responsible for the **5310 National Transit Database** reporting. Danny also oversees the **Public Transportation Webpage** content and maintains and updates the office’s **PT Database and Geographic Information System** development.

Phone: (501) 569-2559 Fax: (501) 569-2476
Email: Danny.Chidester@arkansashighways.com

Rick Cranford, Public Transportation Inspector - Rick is responsible for the Sections’ **Vehicle Maintenance and Safety Program**. Each active vehicle purchased with FTA funds is inspected on a routine basis to ensure vehicles are properly maintained and safe to transport persons.

Phone: (501) 569-2026 Fax: (501) 569-2476
Email: Rick.Cranford@arkansashighways.com

AHTD Public Transportation Programs Staff

Patricia Fletcher-Kester, Public Transportation Technician – Patricia is responsible for **5310 Quarterly Reports** and the **AHTD Inventory Control** compliance. She also provides **Technical Support** for all other programs.

Phone: (501) 569-2471 Fax: (501) 569-2476

Email: Patricia.Fletcher-Kester@arkansashighways.com

Bill Ryan, Administrative Officer – Bill is the **Section 5311 Program Manager** for BRAD, Mid-Delta and SCAT (including ARRA projects). Bill also is the **MPO Coordinator** for Hot Springs and West Memphis. Additionally, Bill is **Project Director** of the Arkansas Statewide Transit Needs Assessment.

Phone: (501) 569-2927 Fax: (501) 569-2476

Email: Bill.Ryan@arkansashighways.com

Patricia Slater, Transportation Specialist - Patricia is the **Section 5311 Program Manager** for Eureka Springs, NATS, Ozark Transit and SEAT (including ARRA projects). She also responsible for the **5311 National Transit Database** reporting. Additionally, Patricia is the **Title VI/EEO/DBE** Officer for the transit section.

Phone: (501) 569-2472 Fax: (501) 569-2476

Email: Patricia.Slater@arkansashighways.com

Kim Wroten, Section Office Coordinator - Fiscal Management /Claims Processing/Federal Funds/Purchasing - Kim is responsible for Fiscal Management of each transit program. This includes processing agencies' claims along with preparing fund drawdowns from the FTA. Kim also is responsible for all vehicle and section purchasing.

Phone: (501) 569-2477 Fax: (501) 569-2476

Email: Kim.Wroten@arkansashighways.com

Arkansas Transit Association

The Arkansas Transit Association (ATA) was incorporated in 1980 as a 501(3) (c) non-profit trade association to provide technical assistance and training for Arkansas's public transit systems. From the beginning, ATA has partnered with the Arkansas State Highway and Transportation Department to advance safe passenger transportation.

Today, ATA has almost 240 members, including fourteen urban and rural transit agencies, community services organizations transporting the elderly or people with developmental disabilities, private passenger carriers, state agencies and industry vendors.

ATA's offices are located in the Arkansas Public Transit Safety and Resource Center in North Little Rock. Built in 2002 with federal and state funding assistance, this award-winning training facility hosts a wide variety of transportation meetings, workshops and seminars.

The Association's nationally-recognized Training Program specializes in passenger transportation safety, and a variety of low-cost courses are conveniently offered to ATA members. Courses are adapted to each agency's specific needs, and great care is taken to deliver updated and relevant material. A current list of training topics can be found on the Association's website.

ATA co-sponsors an Annual Public Transportation Conference with the Arkansas State Highway and Transportation Department and the Federal Transit Administration. This popular event provides timely and informative programs, offers opportunities for networking, and showcases vendors' products and services.

In addition, ATA administers three Drug and Alcohol Testing Program Consortiums for employee testing and helps with policy development, training and legal compliance. Although tests required by the Federal Transit Administration, the Federal Motor Carrier Safety Administration, and those not regulated by the Department of Transportation are conducted separately, the consortium group purchases result in lower costs and superior customer service.

Other association benefits include a Workers' Compensation Self-Insured Trust Fund, internet-based background checks and free traffic violation reports for public and non-profit members.

For thirty years, ATA has served its members, proudly advocating for recognition of their hard work and dedication to increasing the quality of community transportation in Arkansas.

Program Information

The Arkansas State Highway and Transportation Department was appointed as the “designated recipient” of Federal Transit Administration (FTA) funds by the Governor. The Public Transportation Programs Section of the Planning and Research Division is responsible for programming and administration of funds to seven different categories as specified by FTA. The seven categories are as follow:

The Discretionary Capital Assistance Program, Section 5309. This program provides capital assistance to transportation agencies and systems for busses and bus related items. Seven rural systems, eight urban systems, and two hundred and thirty public and private human service providers rely on this program for replacement and expansion of their rolling stock fleets. This program requires monitoring inventories, preventative maintenance, and use of capital.

The Elderly and Persons with Disabilities Program, Section 5310. This program provides capital assistance grants to private nonprofit and public organizations that provide transportation. This assistance primarily consists of purchasing rolling stock and specialized equipment to transport elderly persons and persons with disabilities. This is a statewide program that is allocated approximately \$1,300,000 yearly. The Public Transportation Programs Section determines the eligibility of applicant organizations and orders rolling stock and equipment according to the organizations’ needs.

The Rural & Small Urban Area Program, Section 5311. This program provides capital, operating, and administration assistance to areas with populations under 50,000 persons. These funds are for transit systems that are open to the public and may support fixed route or demand response systems. There are currently seven rural public transit systems in Arkansas: Black River Area Development (BRAD) Transit, Pocahontas; Mid-Delta Transit System, Helena-West Helena; North Arkansas Transit System (NATS), Harrison; Ozark Regional Transit Authority, Springdale; South Central Arkansas Transit (SCAT), Malvern; Southeast Arkansas Transit (SEAT), Pine Bluff; and Eureka Springs Transit, Eureka Springs. This program is allocated approximately \$8,800,000 annually.

The Urbanized Area Program, Section 5307. This program provides capital and operating assistance to areas with populations over 50,000 persons and under 200,000 persons. These funds are for systems that are open to the public and may support fixed route and demand response systems. There are currently seven urbanized transit systems in Arkansas: Fort Smith Public Transit, Fort Smith; Hot Springs Transit, Hot Springs; Jonesboro Economic Transportation System, Jonesboro, Ozark Regional Transit Authority, Springdale; Pine Bluff Transit, Pine Bluff, and Razorback Transit, Fayetteville. Texarkana Urban Transit District receives funds allocated for Arkansas through the Texas Department of Transportation. This program is allocated approximately \$4,900,000 annually based on population and population density.

Program Information

The Statewide Planning and Metropolitan Planning Program, Sections 5303/5304. These programs provide planning assistance to areas designated as urbanized areas with populations over 50,000 persons. There are currently eight areas eligible for assistance: Little Rock, Jonesboro, Fort Smith, Pine Bluff, Texarkana, Hot Springs, Fayetteville/Springdale, and West Memphis. This program is allocated approximately \$1,600,000 annually.

The Job Access Reverse Commute Program, Section 5316. This program provides planning, operating and capital assistance to projects that assist access to employment. Funds are available for projects in large urbanized, small urbanized, and rural areas. Requirements include that a project be derived from a local human service public transportation coordination plan. This program is allocated approximately \$1,400,000 annually.

New Freedom Program, Section 5317. This program provides funding assistance for projects that go beyond the Americans With Disabilities Act and were proposed after August, 2005. Funds are available for projects in large urbanized, small urbanized, and rural areas. Requirements include that a project be derived from a local human service public transportation coordination plan. This program is allocated approximately \$800,000 annually.

TransLease Program. This program provides funding for public and nonprofit agencies to lease vehicles up to 4 years. Vehicles are released to the lessee when the four year lease is paid. Eligible agencies are those that would normally be eligible for assistance under another federal transit program but have additional needs above existing funding levels.

Glossary

Accessible Vehicle:	A vehicle equipped with a wheelchair accessibility package or ramp which allows passengers using wheelchairs to enter, exit, and ride the vehicle.
American with Disabilities Act (ADA):	A civil rights law passed by Congress in 1990, which makes it illegal to discriminate against people with disabilities in employment, services provided by state and local governments, public and private transportation, public accommodations and telecommunications.
AHTD:	Arkansas State Highway and Transportation Department
ATA:	Arkansas Transit Association
Bus:	A self-propelled rubber-tired vehicle that (1) operates on streets and roads without being confined to a fixed guideway; and (2) is designed to accommodate 15 or more persons based upon size and design.
Commuter:	A person who travels regularly between the same two points for the same reason, usually employment.
Contract Route:	A route operated to accommodate rides for which another agency (i.e., human service agencies or elderly programs) has contracted for the service.
Demand-Responsive:	A transportation service characterized by flexible routing and scheduling of relatively small vehicles to provide door-to-door or point-to-point transportation at the users demand; and, that operates either on the street and highway system (e.g., taxicab) or on a guideway.
Department of Transportation (DOT):	The Federal Department of Transportation.
Disabled Individual:	An individual who has a physical or mental impairment, which substantially limits one or more major life activities.
Express Service:	Service along a route that provides higher speeds and fewer stops than generally found on other portions of a system or on the same route in local service.
Fare:	The designated payment for a ride on a passenger vehicle, whether cash, tokens, transfer, coupon, or pass.
Federal Transit Administration (FTA):	A part of the United States Department of Transportation which administers the federal program of financial assistance to public transit (formerly known as the Urban Mass Transportation Administration or UMTA).

Glossary

Fixed Route:	Transportation service operated over a set route or network of routes generally on a regular time schedule.
Intercity Transportation:	Transportation service between cities, usually on a fixed route, fixed schedule by certified carriers.
Intracity Transportation:	Transportation service within a city.
MPO:	Metropolitan Planning Organization
Operating Cost:	The recurring costs of providing transit service, i.e., wages, salaries, fuel, oil, taxes, maintenance, depreciation, insurance, marketing, etc.
Paratransit:	One of several forms of small capacity passenger transportation including taxis, car pools, specialized vans, Dial-A-Ride, and shared ride.
Park-and-Ride:	A type of transportation where a single occupant (usually) drives to a designated point by private auto and transfers to a public mode of transportation such as bus, rail, vanpool, carpool, etc. for the remainder of the trip.
Passenger:	A person (excluding the driver or crew members) who rides a public transportation vehicle.
Passenger Miles:	The total number of passengers carried by a transit system multiplied by the number of miles traveled.
Passenger Trip:	One person making a one-way trip from origin to destination. One round trip equals two passenger trips.
Public Transportation:	Transportation by a conveyance that provides regular and continuing general or special transportation to the public, but does not include school bus, charter, or intercity bus transportation or intercity passenger rail transportation provided by AMTRAK.
Ride-sharing:	A transportation service which includes carpooling, vanpooling, buspooling and transit.
Transit System:	The facilities, equipment, personnel, and procedures needed to provide and maintain public transportation service.
Transportation:	Movement of people or goods from one place to another by public or private means.
Urban:	The term used to describe cities. The size of those areas is differentiated by calling cities of more than 50,000 population "urbanized areas" and those of 5,000 50,000, "urban areas".

Call for Schedule

Service Area: Cammack Village, Little Rock, North Little Rock, Maumelle, Sherwood and portions of Pulaski County

Transit has been important in Pulaski County's growth since the 1880's. Buses were in local use by 1918, bringing riders to streetcar lines. By 1946, all streetcars had been replaced by buses. In 1972, Metroplan received Federal funding to purchase the assets of the private corporation. To better support the transit system, the Central Arkansas Transit Authority, CAT as it is known today, was created in 1986 by an Interlocal Agreement chartering CAT as a public corporation. Today, CAT has 20 fixed routes and 3 express routes serving Jacksonville, Gravel Ridge, Sherwood, Maumelle, Oak Grove and Highway 10 to Roland. Its paratransit division, Links, provides mobility to persons who are prevented by disability from using regular fixed-route buses.

River Rail, a 3.4 mile streetcar system opened its first phase in November 2004. The second phase opened in February 2007 and extended services to the Clinton Presidential Center and Heifer, International.

Visit CAT's River Cities Travel Center, the major transfer hub.

Service Area: City of Jonesboro

The Jonesboro Economical Transportation System (JETS), a department of the City of Jonesboro, began operations on May 3, 2006, with 3 Fixed Routes supplemented by Complimentary Paratransit Service. Although JETS grew to where it was operating six thirty-minute Fixed Route loops Monday-Friday over a 14-hour day and three hour-long loops on Saturday in late 2009, reduced local funding due to the decline in city revenues forced a considerable reduction its operation in early 2010. JETS currently offers service to some 115 stops along three one-hour loops that continues to serve the areas of Jonesboro that are the most challenged by the lack of transportation resources. One of its current routes is designated as a Job Access-Reverse Commute service from north and west Jonesboro to the primary industrial park in eastern Jonesboro.

By the end of the summer of 2010, with just four years of operational history, JETS has served Jonesboro by providing more than a quarter of a million rides. JETS, serving the citizens of Jonesboro, *ONE STOP AT A TIME.*

Ozark Regional Transit has been providing transportation in Northwest Arkansas since 1978. Our Board of Directors consists of regional leadership and we continue our mission to provide demand-response transportation to those who do not or cannot drive. In July 2002, ORT began our first fixed route service in Fayetteville under the Job Access and Reverse Commute (JARC) with funding from the Federal Transit Administration (FTA). In the fall of 2005, we converted or added a total of 6 new fixed routes in Bentonville, Rogers, Springdale, and Fayetteville. Currently we have 11 buses on 10 fixed routes and will set new ridership records. Visit our website at www.ozark.org.

Service Area: City of Pine Bluff

The City of Pine Bluff has had a transit system since 1870, when it was operated by the private sector. It is the oldest transit system in the State. In 1974, Pine Bluff Transit became a city owned and operated transit system. The system consists of eight fixed routes and an American with Disabilities Act of 1990 (ADA) paratransit service.

The main short range and long range goals of the transit service is to provide services to those citizens dependent on the transit system for transportation. The objective is to provide transportation to places of employment, shopping, medical services, social services, educational services and recreation facilities. The service area has been designed to provide service to all areas of the City.

Hours of Operation: Monday-Friday

8:30 am – 3:00 pm

Service Area: Clay, Lawrence and Randolph Counties

In 1975, BRAD started a Public Transportation Program to provide bus service to the public in Clay, Lawrence and Randolph Counties. This program received National Model Project recognition. BRAD Public Transit currently operates five days a week in Pocahontas, Walnut Ridge and Hoxie. Transit serves all ages ranging from children to senior citizens. There are no income guidelines and all of the buses are equipped with wheelchair lifts.

Participants are picked up at their door and taken wherever they would like to go within the city limits. Public Transit also makes seven scheduled trips into the three county area monthly picking up participants in outlying areas and providing them transportation to the larger towns for shopping, doctor appointments, etc. The program also schedules day trips several times a month with area nursing homes to enable the residents to leave the facility a few hours.

Hours of Operation:

Demand: Monday – Saturday 6:00 am – 5:00 pm

Fixed Route: Sunday – Saturday 7:30 am – 4:00 pm

Service Area: Calhoun, Clark, Columbia, Dallas, Garland, Hot Spring, Montgomery, Ouachita, Pike, Saline and Union Counties

South Central Arkansas Transit (SCAT) was one of the early programs at Central Arkansas Development Council (CADC). Started in 1975, the rural public transportation system was one of the first funded nationally as a Section 147 demonstration program. In 1989, SCAT was one of the first in the state to participate in the Greyhound Rural Connection Program. SCAT's service center in Malvern serves as the bus depot and CADC receives reimbursement for facilitating the movement of its passengers in Dallas, Hot Spring, Ouachita & Union Counties. SCAT fills a very definite need in rural Arkansas providing transportation for anyone in the service area. Other services offered are: job transportation, shuttle service, Senior Centers, Day Care, and medical routes.

Website: www.eurekaspringstrooley.org

Hours of Operation:

Sunday – Thursday 9:00 am – 5:00 pm

Friday – Saturday 9:00 am – 6:00 pm

Service Area: City of Eureka Springs

Tucked away in the hills of Northwest Arkansas, Eureka Springs truly is America's Victorian Village. In 1970 the entire City was added to the National Register of Historic Places. The District now has over 33 Significant and 250 Contributing Structures located within its boundaries, it is the heart and soul of Eureka Springs.

Much of the Historic District as well as the rest of Eureka Springs can be visited in comfort and with convenience using the City's Transit System. Operating year-round, we have our vintage-looking trolleys and mini-busses that carry passengers over routes that crisscross the City in every direction. Each route is color coded, making getting around our winding, twisting and narrow streets almost foolproof. Eureka first used public transportation on the 1890's and now in the 2000's we still are.

Hours vary, call for schedule. 870-338-6406

Service Area: Lee, Monroe, Phillips and Prairie Counties

Mid-Delta Community Services, Inc., Transportation Grant offers a wide range of transportation services to the general public with low cost commuter routes from Clarendon and Holly Grove to industries in Stuttgart and transportation to medical facilities and specialists in surrounding areas. Mid-Delta was incorporated in September 1966, as a private non-profit agency, under the Economic Opportunity Act of 1964. This program provides services, assistance and other activities of sufficient scope and size to give promise of progress toward elimination of poverty and causes of poverty.

Good local public transportation is an asset in the development of employment opportunities, thus improving human performances, motivation and productivity all improving conditions under which people live, learn, and work. Other existing programs include: Community Services Block Grant, Commodities, Senior Citizens' Programs, Weatherization, Kitchen, Head Start and Home Energy Assistance Program & Emergency Food and Shelter Funds.

Hours of Operation:
Monday – Friday 7:00 am – 5:00 pm

Service Area: Benton, Carroll, Madison and Washington Counties

Ozark Regional Transit (ORT) has been providing transportation in Northwest Arkansas since 1978. In 2001, Community Resource Group announced that they were getting out of the public transportation business, and a new Board and Regional Authority was formed. This new Board consists of the Judges of Benton, Carroll, Madison and Washington Counties and the Mayors of Bentonville, Fayetteville, Rogers and Springdale.

Our services in the rural areas enable persons with disabilities, seniors and those who cannot afford to operate a personal vehicle basic transportation to medical appointments, grocery shopping, health and human service organizations and many types of trips that directly affect their quality of life. For complete information on our service, please go to our website at www.ozark.org. This system is managed by First Transit.

Service Type: Disabled

Purpose: Provide education, training and employment transportation services to persons with disabilities.

Service Area: Little River, Polk and Sevier Counties.

St. Francis County - DAV

313 Izard Street
Forrest City, AR 72335

Phone: (870) 261-1700
Fax: (870) 261-1704

Service Type: Disabled

Purpose: Provide transportation services to disabled veterans living in the county.

Service Area: St. Francis County

The Sunshine School, Inc.

304 S. Sowell
Searcy, AR 72145

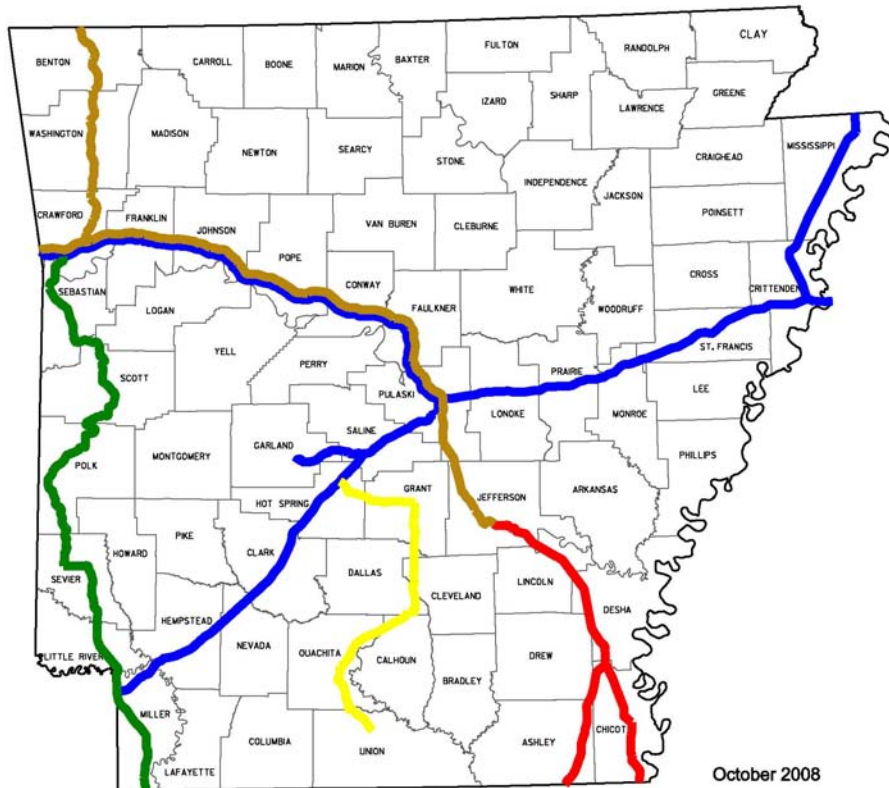

Phone: (501) 268-9227
Fax: (501) 268-7734

Service Type: Disabled

Purpose: Sunshine School serves Pre-K through 12th children offering a curriculum for students with special needs.

Service Area: White County.

Intercity Transportation Service

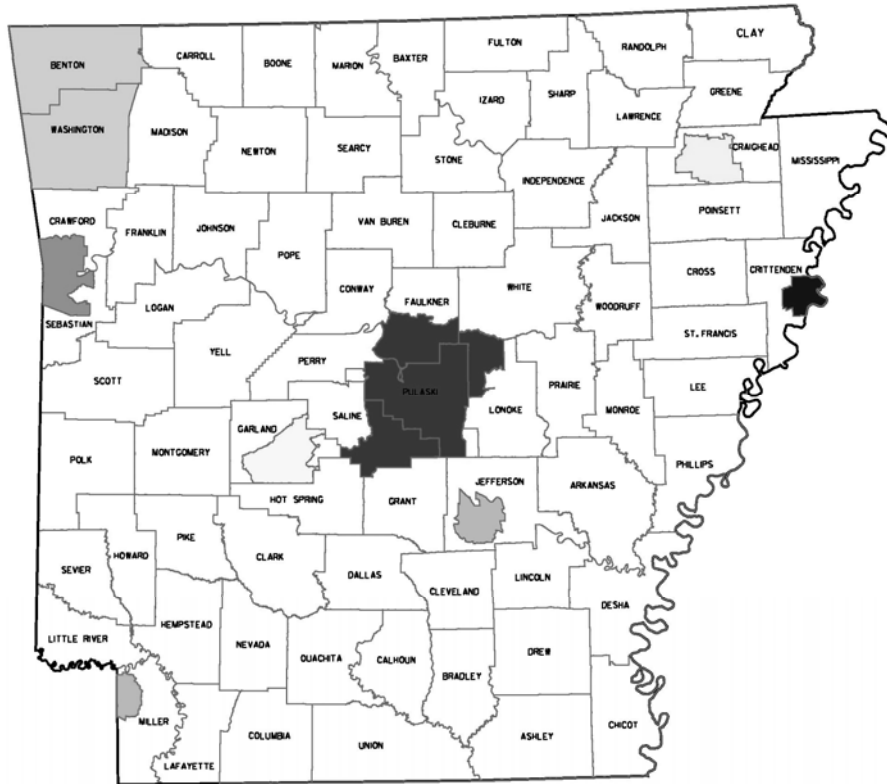

INTERSTATE COMMON CARRIERS		SEC. 5311 INTRASTATE RURAL CARRIERS	
	Greyhound		South Central Ark. Transit
	Jefferson		South East Ark. Transit
	Kerrville		

The Section 5311 Program allows funding to private for-profit agencies providing intercity transit service. In November, 2006, Jefferson Lines initiated service in Arkansas under the Section 5311 Program. Greyhound Lines and Kerrville Bus Company were awarded Section 5311 Program funds during 2008. In addition, two Arkansas rural public transit systems provide connector service to the intercity bus carriers.

Ridership in 2009 on intercity bus routes was approximately 253,100 passengers. Trips were primarily for visiting family or friends and averaged a distance of 175 miles. Capital, operating and marketing assistance totaled approximately \$1,439,000 was used to support intercity bus service.

Metropolitan Planning Organizations

In 1973, the Federal Transportation Act required that each urbanized area (area with 50,000 or more population) establish a Metropolitan Planning Organization (MPO). An MPO is an organization of primarily local elected officials who provide a forum for local decision-making on transportation issues of a regional nature.

Under Section 5303, MPOs receive funds to support the cooperative, continuous and comprehensive planning program for making transportation investment decisions in MPO areas. Funds are apportioned by a formula to States that includes each State’s urbanized area population in proportion to the urbanized area population for the entire Nation. These funds, in turn, are sub-allocated by States to MPOs by a formula that considers each MPO’s urbanized area population.

U.S. Department of Transportation (USDOT) and Arkansas State Highway & Transportation Department (AHTD) are participating agencies. The MPOs in Arkansas funded under Section 5303 are located in the following areas:

Bi-State Metropolitan Planning Organization
 Hot Springs Area Metropolitan Planning Organization
 Jonesboro Area Metropolitan Planning Organization
 Metroplan
 Northwest Arkansas Regional Planning Commission
 Southeast Arkansas Regional Planning Commission
 Texarkana Metropolitan Planning Organization
 West Memphis Metropolitan Planning Organization

Fort Smith

Participating Entities: Cities of: Marion, Sunset & West Memphis. County of: Crittenden.

Participating Public Transit: N.A.

Park and Ride Lots

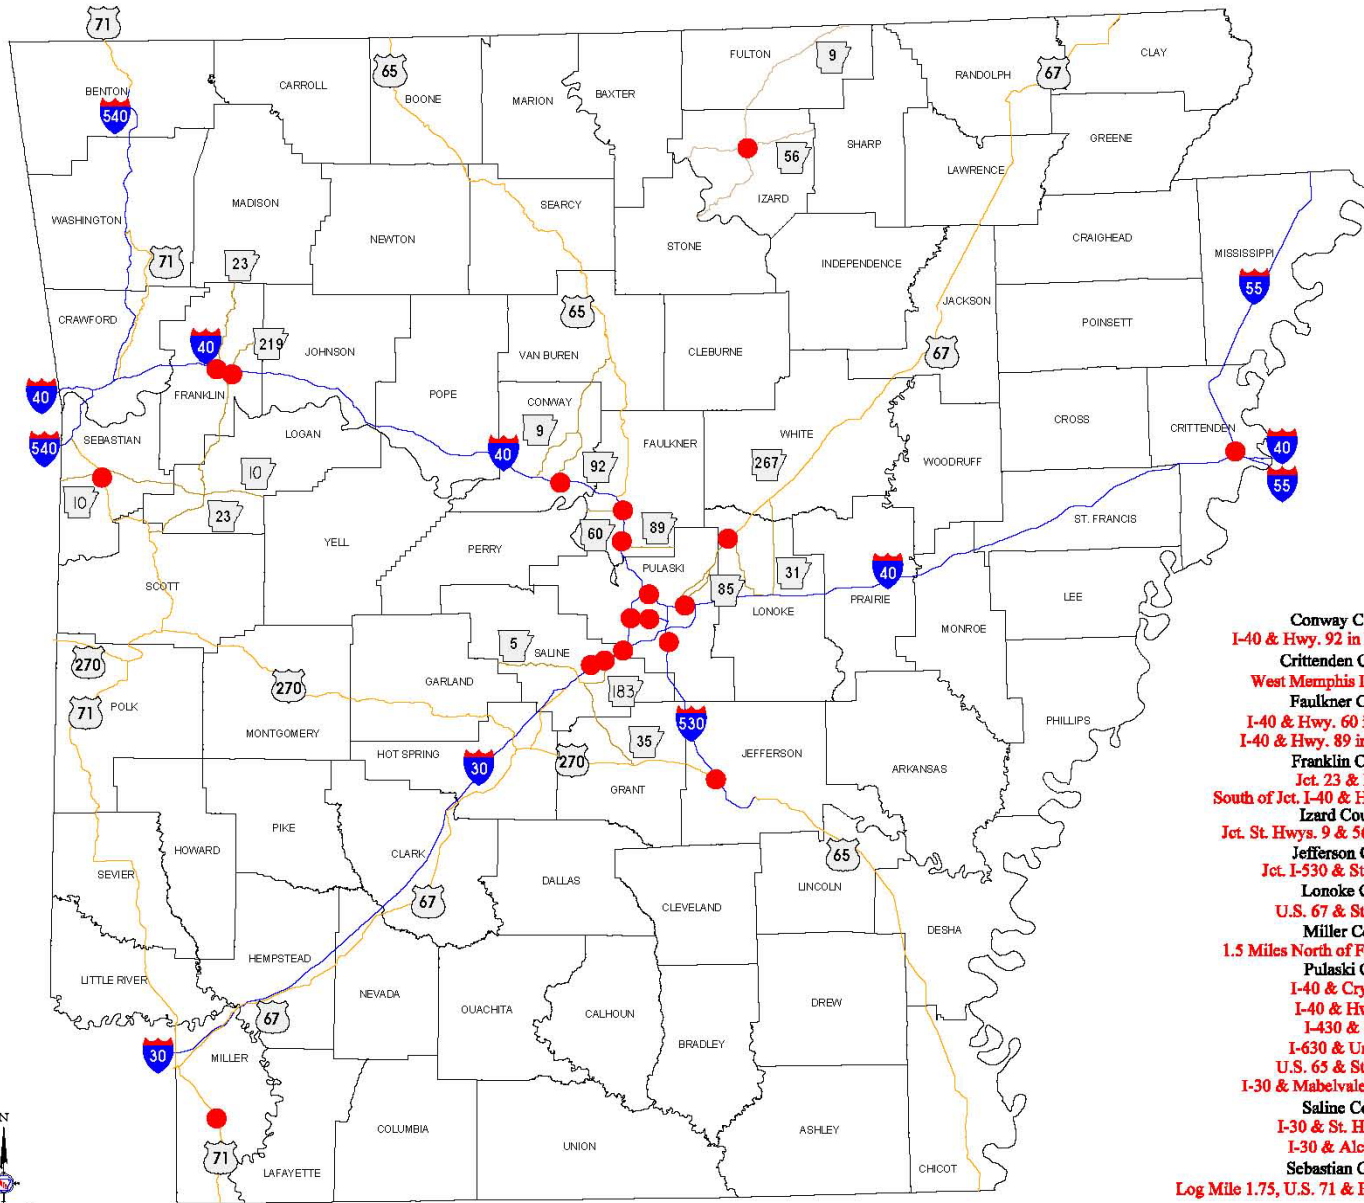

A number of park and ride lots have been established for the convenience of commuters who wish to share rides.

No permit or fee is required.

As a safety measure, all persons using a park and ride lot are reminded that their cars should be locked when not in use.

AHTD District	County	Location
One	Crittenden	West Memphis I-40 & I-55
Two	Jefferson	I-530 & St. Hwy. 270
Three	Miller	1.5 Miles North of Fouke on U.S. 71
Five	Izard	Jct. St. Hwys. 9 & 56 @ Brockwell
Six	Lonoke	U.S. 67 & St. Hwy. 89
	Pulaski	U.S. 65 & St. Hwy. 338 I-30 and Mabelvale West Exit 128 I-430 & I-630 I-630 & University I-40 & Crystal Hill S.E. Quadrant I-40 & Hwy. 161
	Saline	I-30 & St. Hwy. 183 I-30 & Alcoa Road
Seven	None designated.	
Eight	Faulkner	I-40 & Hwy. 60 in Conway I-40 Hwy. 89 @ Mayflower
	Conway	I-40 & Hwy. 92 @ Plummerville
Nine	None designated.	
Ten	None designated.
