The Arkansas Department of Transportation, in collaboration with traffic incident management (TIM) stakeholders within our state, is proud to bring you the TIM quarterly report. This document will provide a snapshot of Arkansas’ efforts to improve safety and mobility on our State Highway System through TIM.

1. Reported through National TIM Responder Training Program, 10/7/19 to 12/30/19
2. Accidents resulting in highway lane closures reported through ACTIS; note that other agencies such as Arkansas State Police are now reporting incidents directly to ACTIS
3. 2019 preliminary data reported through eCrash
