Construction Work on Interstate 40 Requires Temporary Overnight Lane Closures near North Little Rock

PULASKI COUNTY (8-12) – Construction of the new Interstate 40 interchange to Maumelle will require temporary, overnight lane closures just west of North Little Rock, according to Arkansas Department of Transportation (ArDOT) officials.

Weather permitting, crews will close the outside eastbound lane from 8:00 p.m. on Tuesday, August 13 until 6:00 a.m. on Wednesday, August 14. This will allow crews to remove the concrete barrier walls and place construction pavement markings.

Traffic will be controlled by signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter @myArDOT.
