Maintenance on U.S. Highway 64 Bridge Requires
Alternating Lane Closures

SEBASTIAN COUNTY (10-28) – Deck patching on the U.S. Highway 64 Bridge (Garrison Avenue) over the Arkansas River between Fort Smith and Oklahoma requires alternating lane closures, according to Arkansas Department of Transportation (ArDOT) officials.

Weather permitting, crews will close the westbound outside lane beginning Wednesday, October 30 and will move to other lanes as work progresses. The alternating lane closures will occur between 7:30 a.m. and 5:00 p.m. each day, Mondays through Thursdays, until late November.

Traffic will be controlled by traffic barrels and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter @myArDOT.
