Subtitle

TO ESTABLISH THE COMMERCIAL TRUCK SAFETY

SPECIAL REVENUES FOR THE FUND.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. DO NOT CODIFY. Legislative findings and intent.
The General Assembly finds that:

(1) There are no programs jointly involving the trucking
industry and the Arkansas State Highway and Transportation Department to
ensure improved commercial truck safety on state highways. Furthermore, no
studies exist on ways to improve the efficiencies of freight movement that
could improve highway safety;

(2) Dedicating funding for these purposes could enable the
industry and state government to create such programs. Additionally, the
industry and the department could benefit from research specific to freight
movement, regulatory compliance, education, and training; and

(3) The purpose of this act is to advance state interests in
roadway safety by proposing to improve the safety of the commercial truck
industry through cooperative public private programs that focus on increased
enforcement, regulatory compliance, industry training, and educational
