Wildflowers of the Arkansas Roadways

Photographs courtesy of Carl G. Holder and the Ozark Society Foundation.

2. **Mexican Hat** (*Ratibida columnifera*) — 1-4' tall. Blooms June-July. Native perennial. OU, CP.

4. **Black-eyed Susan** (*Rudbeckia hirta*) — 1-4' tall. Blooms June-October. The ray flowers are more purple than those of pale purple coneflower. Native perennial. OZ, OU.

5. **Showy Evening Primrose** (*Oenothera speciosa*) — 2-3' tall. Blooms May-September. The source of many garden hybrids. Native perennial. OZ, OU, CP, AP.

6. **Purple Coneflower** (*Echinacea purpurea*) — 2-4' tall. Blooms June-October. This flower attracts hummingbirds. Native perennial. OZ, OU, CP.

10. **Cardinal Flower** (*Lobelia cardinalis*) — 2-4' tall. Blooms July-October. The flowers are bright red. Native perennial. OZ, OU.

15. **Rose Vervain** (*Verbena speciosa*) — 3' tall. Blooms May-August. These large white flowers have a distinctive spider-like shape. Native perennial. OZ, OU.

17. **Wild Bergamot** (*Monarda fistulosa*) — 2-4' tall. Blooms July-September. Also called Bee Balm. Flowers have lavender streaking. Native perennial. OZ, OU, CP.

18. **Goldenrod** (*Solidago canadensis*) — 0.6-4.6' tall. Blooms July-September. Native perennial. OZ, OU.

22. **Monarda fistulosa** — 1-2' tall. Blooms April-June. Native perennial. OZ, OU, CP.

23. **Monarda fistulosa** — 1-2' tall. Blooms April-June. Native perennial. OZ, OU, AP.

25. **Three-Leaf Clover** (*Trifolium resupinatum*) — 0.6-1.8' tall. Blooms May-June. Native perennial. OZ, OU,
